

## House Report

The House Committee continues to work hard on many items that cover the Clubs Bar and Kitchen operations.

A major project is to attempt to get all the pathways around the Club brick paved by way of donations and support by Club Members, without burdening the Club with the cost of carrying out these works.

To date we have received excellent support from the Ladies group and the Friday VETS who have assisted in laying the pathways on the 14th and 15th holes.

The 9 holers are also to provide a cash injection of funds to allow further work to be carried out. There have also been a couple of individual donations of \$500.00 that will be used on this course improvement project .

Just a thought, if every member was to donate \$20.00 each, this would almost complete this worthy project.

We also have a replacement policy in place to cover the upgrade of the towels used in the change rooms. These towels are not to be removed from the change rooms.

The Federal Governments bi-annual excise increase comes through in August and February each year and there may be some minor adjustments in bar prices to cover any increases. In looking at our Bar prices we only increase prices marginally in line with the increases imposed by our suppliers.

The Club has been attempting to provide a regular food service on Sundays for the mixed field and will have one further trial in JULY 2009. If these days are not supported by the players in the mixed field the caterer will not be able to provide the service that Sunday players have been requesting.

Should you have any queries on the Bar and Kitchen operations please make sure you discuss them with the General Manager.

I am also available to discuss any queries you may have in respect to areas the House Committee covers.

Good golfing and if its not good, then enjoy our clubhouse facilities.

**Robert Holl**  
**Chairman, House**

## Wanneroo Golf Club Corporate Days

Wanneroo Golf Club welcomes enquiries for corporate events.

These can be held on most days except Wednesdays and Saturdays and are dependent on club events. All applications need to be done well in advance as the Club does have a busy calendar.

Costs vary dependent on numbers attending and catering requirements.

Please contact the General Manager on 9405 3677 for further information.
