## WANTED - COMPUTERS

If any member has unwanted computers due to upgrading at home or work please consider the Club. The old computers that we currently use in the Sports Bar and Locker Rooms have almost reached their use-by date.

If you have a computer, even if it's the tower alone, that is no longer needed please bring it in and assist the Club. It is not justified to spend several thousand dollars upgrading when they are only used to book onto golf.

Don't forget to remove any personal data first, or if you don't know how let us know so that we can do it for you.

Member Colin Kavanagh must be thanked for the effort which he has done in rebuilding the computers donated to ensure that the computers are working well and do the job intended.

## KAPTAIN'S KORNER

**TROPHY DONORS** – Members who wish to donate a trophy for 2010 (not including 2009 trophy donors) for any of our scheduled events need to contact the office with your details and time preference before 3<sup>rd</sup> December.

Current Trophy Donors will be contacted by the office, thanked for their generous donation and asked if they wish to continue next year. Please

note dates requested will be allocated as best as possible. If specific competitions are requested they will be considered but Match Committee will make the final decision.

**INVITATION EVENTS** – There are a number of these types of events coming up over the Christmas period. The idea of these events is to introduce non-members to the WGC. The cost factor is the competition fee only. Visitors are limited to 6 events per year. Visitors cannot win the main trophy but their efforts in the run down will be recognised.

**MOBILE PHONES** – the match committee is fully aware of the problem with members using mobile phones on course and particularly on Wednesdays. Surely it is a matter of common sense – phones are NOT permitted on course!

## GREENS NEWS

Management has decided against any new green construction for the 2009/10 summer period. Work will commence shortly on renovating bunkers, especially greenside bunkers but this is a big task and will take most of the year to complete. Bunkers will be reshaped, slopes steepened and bases levelled. Removal of dead trees that are adjacent to tees, greens or fairways will also continue. Although not stopping the problem, this will assist in reducing the large number of leaves that drop onto the course at this time of the year.

## SUMMER PENNANTS

30 players are required to make the Wanneroo Golf Club Summer Pennants Team. This is played in the same format as last year, which is 4BBB match play.

The competition is played over 3 consecutive Sundays teeing off at 8.00am in January against Lakelands, Chequers and Sun City Golf Clubs. Members who are interested should contact Club Vice Captain Derrick Ball as soon as possible.

## MAJOR RAFFLE

Once again members of Wanneroo GC have shown their tremendous spirit and to date

have donated over \$50,000 worth of prizes towards next year's major raffle, the proceeds which go towards works on course. First prize will be a new car. Other prizes include a flight to Malaysia and accommodation, accommodation in the SW and much more.

To make this a huge success we need every members support.

### **CHRISTMAS PARTY**

The Wanneroo GC Christmas Party for the kids is back bigger and better on Sunday 13<sup>th</sup> December.

Cost is \$10 per adult, kids are free. Please see the notices around the Club about this great event.

The word is Father Christmas has been practicing his golf over the past 12 months in order to become a member.

### **NEW YEARS EVE**

Wanneroo GC is holding a New Years Eve Show on Thursday 31<sup>st</sup> December starting at 8.00pm with entertainment till the New Year.

Cost \$10/head, drinks at club price. Bring your own nibbles as the kitchen will be closed.

BBQ's will be available, bring your own meat and salad if you want to come early.

### **SOME HUMOUR**

*Gentle Thoughts for Today--*

*Birds of a feather flock together and crap on your car.*

*When I'm feeling down, I like to whistle. It makes the neighbour's dog run to the end of his chain and gag himself.*

*A penny saved is a government oversight.*

*The real art of conversation is not only to say the right thing at the right time, but also to leave unsaid the wrong thing at the tempting moment.*

*The older you get, the tougher it is to lose weight, because by then your body and your fat have gotten to be really good friends.*

*The easiest way to find something lost around the house is to buy a replacement*

*He who hesitates is probably right.*

*Did you ever notice: The Roman Numerals for forty (40) are 'XL.'*

*If you think there is good in everybody, you haven't met everybody.*

*If you can smile when things go wrong, you have someone in mind to blame.*

*The sole purpose of a child's middle name is so he can tell when he's really in trouble.*

*There's always a lot to be thankful for if you take time to look for it. For example I am sitting here thinking how nice it is that wrinkles don't hurt*

*Some people try to turn back their odometers. Not me, I want people to know why I look this way. I've travelled a long way and some of the roads weren't paved.*

*When you are dissatisfied and would like to go back to youth, think of Algebra.*

*You know you are getting old when everything either dries up or leaks.*

*First you forget names, then you forget faces. Then you forget to pull up your zipper. It's worse when you forget to pull it down.*

*Long ago when men cursed and beat the ground with sticks, it was called witchcraft. Today, it's called golf.*

### **CHRISTMAS GREETINGS**
